5. The Declaration is hereby amended by adding the following Article XVII to the Declaration in order to clarify insurance obligations as hereinafter set forth, in accordance with the following terms and conditions, as it pertains only to the Town Home Buildings and the Town Home Units (collectively, the "Town Home Property"):

A. Insurance.

Section 1. Association. Association shall maintain the following insurance coverage:

b. Liability Insurance. Commercial general liability insurance coverage providing coverage and limits deemed appropriate by the Board. Such policies must provide that they may not be canceled or substantially modified by any party, without at least thirty (30) days' prior written notice to Developer, until after the turnover date of the Association.

c. Directors and Officers Liability Insurance. Each member of the Board shall be covered by directors and officers liability insurance in such amounts and with such provisions as approved by the Board.

d. Other Insurance. Such other insurance coverage as appropriate from time to time. All coverage obtained by Association shall cover all activities of Association and all

properties maintained by Association, whether or not Association owns title thereto. Without limiting the foregoing and in addition to any other insurance required under this Section 1, Association shall carry an insurance policy insuring itself from liability for damages related to or arising in connection with the streets, sidewalks, drainage system (including detention/retention areas). The minimum amount of insurance required shall be established by resolution of the Lake County City Council or such other applicable governmental authority.

e. Declarant. Prior to and including the date of Turnover, Declarant shall have the right, but not the obligation, at Association's expense, to provide insurance coverage under its master insurance policy in lieu of any of the foregoing.

Section 2. Town Home Units.

a. Requirements to Maintain Insurance. Each Owner shall be required to obtain and maintain adequate insurance on his or her Town Home Unit with Association named as additionally insured. Such insurance shall be sufficient for necessary repair or reconstruction work, and/or shall cover the costs to demolish a damaged Town Home Unit as applicable, remove the debris, and to resod and landscape land comprising the Town Home Unit. Upon the request of Association, each Owner shall be required to supply the Board with evidence of insurance coverage on his Town Home Unit which complies with the provisions of this Section. Without limiting any other provision of this Declaration or the powers of Association, Association shall specifically have the right to bring an action to require an Owner to comply with his or her obligations hereunder.

b. Requirement to Reconstruct or Demolish. In the event that any Town Home Unit is destroyed by fire or other casualty, the Owner of such Town Home Unit shall do one of the following: the Owner shall commence reconstruction and/or repair of the Town Home Unit ("Required Repair"), or Owner shall tear the Town Home Unit down, remove all the debris, and resod and landscape the property comprising the Town Home Unit as required by the ARC ("Required Demolition") to the extent permitted under law. If any Owner elects to perform the Required Repairs, such work must be commenced within thirty (30) days of the Owner's receipt of the insurance proceeds respecting such Town Home Unit. If an Owner elects to perform the Required Demolition, the Required Demolition must be completed within six (6) months from the date of the casualty or such longer period of time established by the Board in its sole and absolute discretion subject to extension if required by law. If an Owner elects to perform the Required Repair, such reconstruction and/or repair must be completed in a continuous, diligent, and timely manner. Association shall have the right to inspect the progress of all reconstruction and/or repair work. Without limiting any other provision of this Declaration or the power of Association, Association shall have a right to bring an action against an Owner who fails to comply with the foregoing requirements. By way of example, Association may bring an action against an Owner who fails to either perform the Required Repair or Required Demolition on his or her Town Home Unit within the time periods and in the manner provided herein. Each Owner acknowledges that the issuance of a building permit or a demolition permit in no way shall be deemed to satisfy the requirements set forth herein, which are independent of, and in addition to, any requirements for completion of work or progress requirements set forth in applicable statutes, zoning codes, and/or building codes.

c. Standard of Work. The standard for all demolition, reconstruction, and other work performed as required by this Section shall be in accordance with standards established by Association with respect to any casualty that affects all or a portion of the Town Home Property.

d. Additional Rights of Association. If an Owner refuses or fails, for any reason, to perform the Required Repair or Required Demolition as herein provided, then Association, in its sole and absolute discretion, by and through its Board is hereby irrevocably authorized by such Owner to perform the Required Repair or Required Demolition. All Required Repair performed by Association pursuant to this Section shall be in conformance with the original plans and specifications for the Town Home Unit. Association shall have the absolute right to perform the Required Demolition to a Town Home Unit pursuant to this Section if any contractor certifies in writing to Association that such Town Home Unit cannot be rebuilt or repaired. The Board may levy an individual assessment against the Owner in whatever amount sufficient to adequately pay for Required Repair and Required Demolition performed by Association.

e. Association Has No Liability. Notwithstanding anything to the contrary in this Section, Association, its directors and officers, shall not be liable to any Owner should an Owner fail for any reason whatsoever to obtain insurance coverage on a Town Home Unit. Moreover, Association, its directors and officers, shall not be liable to any person if Association does not enforce the rights given to Association in this Section.

Section 3. Association as Agent. Association is irrevocably appointed agent for each Owner of any interest relating to the Common Areas to adjust all claims arising under insurance policies purchased by Association and to execute and deliver releases upon the payment of claims.

Section 4. Casualty to Common Areas. In the event of damage to the Common Areas, or any portion thereof, Association shall be responsible for reconstruction after casualty. In the event of damage to a Town Home Unit, or any portion thereof, the Owner shall be responsible for reconstruction after casualty.

Section 5. Nature of Reconstruction. Any reconstruction of improvements hereunder shall be substantially in accordance with the plans and specifications of the original improvement, or as the improvement was last constructed, subject to modification to conform with the then current governmental regulation(s).

Section 6. Cost of Payment of Premiums. The costs of all insurance maintained by Association hereunder, and any other fees or expenses incurred which may be necessary or incidental to carry out the provisions hereof shall be operating costs included in the Town Home Assessments.

6. Article XVI, Paragraph B, Section 2, Subsection D of the Third Amendment is hereby amended by deleting the first sentence thereof so that the Subsection shall hereafter read

as follows: "D. Insurance. Each Owner of a town home unit shall be responsible for maintaining insurance for the contents of their unit and any other personal property owned by the Owner."

7. Capitalized terms used herein, unless specifically defined herein, shall have the same meaning as set forth in the Declaration.
